

# **WASHINGTON COUNTY COVID 19 TESTING RESOURCES**

**Updated 7/2/2020**

**The current testing capabilities are available in Washington County currently for individuals requesting or requiring testing due to being symptomatic, have a physician order, or seeking testing per Governor expanded testing standard order.**

**Calais Regional Hospital (454-7521)** - will test with a provider's order right now, otherwise can be tested if symptomatic through the ED.

Beginning Monday, July 6, 2020; they will have a swab and go clinic using the state standing order from 8-10 am Monday-Friday.

<https://www.calaishospital.org/covid-19-testing/>

**Down East Hospital (255-3356)** - will test with a provider's order right now, otherwise can be tested if symptomatic through the ED. <https://www.dech.org/>

\*They don't plan to have a swab and go site because they said residents who live near them can go to the following sites in Bangor or Ellsworth for swab and go without a provider's order (call first):

**Ellsworth Hospital (Northern Light) (664-5311)** - will test with a provider's order right now, otherwise can be tested if symptomatic through the ED – ask that hotline number be called if symptomatic: [844-489-1822](tel:844-489-1822).

There are apparent plans to have a swab and go site. Further information, such as days/times, are not yet readily available on website as of this update.

**Bass Park/Bangor (Northern Light) (844-489-1822)** - same information as Ellsworth site above, ask that hotline number be called if symptomatic.

## **State of Maine Info:**

For general information about COVID-19: call 211, text your zip code to 898-211, or email [info@211maine.org](mailto:info@211maine.org).

<https://www.maine.gov/dhhs/mecdc/infectious-disease/epi/airborne/coronavirus/index.shtml>

**Eastport Health Care Inc.** – currently asking symptomatic patients to contact office location for triage. Testing need will be determined by providers following criteria for testing. Patients who are scheduled for other scheduled appointments, are asked to call ahead if experiencing symptoms. All who enter will be screened. There are no current plans to offer community-wide testing stated in Governor standing order.

**Eastport location (853-6001)**

**Machias location (255-8290)**
